

Experience something **MORE.**

“**STAT** has so many great things to offer. Since STAT’s beginning in 2004, I have taken advantage of as many networking events as possible. They were all very beneficial. As a STAT member, I could search the online alumni directory by major, field or work, company and geographic location. This helped during my job search and enabled me to learn about all the different career possibilities and what I can do with my major.

– Heather Warren ‘06

“By becoming a member of **STAT**, you will have access to our club network all over the country. That network is a great place to find new friends in an unfamiliar place, or connect with someone in the professional world.

– Astra Barnes,
Director of Clubs and Outreach ‘03

“**STAT** is a great way to become a part of the greater NC State family. Through STAT, the Alumni Association strives to instill the importance of being an active member of the university, as both a student and an alumnus. We want to enrich the student experience through traditions and connections because this builds pride in NC State that will last a lifetime.

– Dr. Lennie Barton, Executive Director ‘77 ‘81 ‘87

STAT enriches connections between students, faculty and alumni through programs, mentoring and service while cultivating pride in a lifelong commitment to NC State.

Experience **NC STATE**

STAT stands for Students Today, Alumni Tomorrow. It's a membership association for students, both undergraduate and graduate, that enhances your NC State experience and upholds the quality and traditions of the university. STAT builds lifelong relationships among members, alumni and their university.

With a host of members-only opportunities, STAT serves NC State with programs that promote traditions, spirit and pride. Personal and professional benefits enrich STAT members' NC State experience. These benefits include access to alumni mentoring, career development, discounts at local businesses, opportunities for service and leadership, and a host of fun, exciting events throughout the year. STAT dues are \$20 per year or \$75 for a four-years. STAT is your avenue to fun, success and a lifelong connection with NC State.

Member Benefits include:

- STAT t-shirt
- academic planner
- subscription to members-only listserv
